

A Bat, a Rat, and a Rabbit

Nan sits at her desk.
Ann, Dan, and Stan are her kids.
"Can I be a bat?" asks Dan.
Stan asks, "Can I be a rat?"

Nan has her red pen. She prints in red:
"Bat" and "Rat."
"Stan's a rat. Dan's a bat," Nan said.

Her kids ran past the desk.
Stan hid Nan's red pen.

"Can I be a rabbit?" asks Ann.
Nan hasn't her pen.
She can't print "Rabbit."

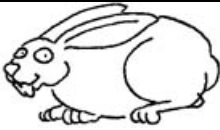

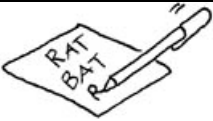

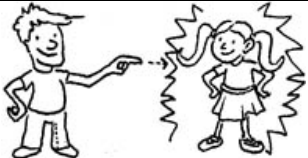

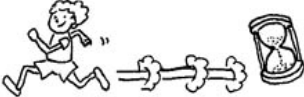

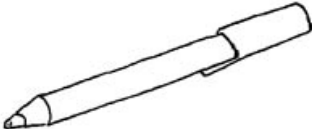

Stan ran past and said, "The red pen is
in the bin!"
"Aha!" said Nan.

She prints "Rabbit" in red.
Nan said, "Ann's a rabbit!"

Lesson 9, Target letter: r
