

Eggs in the Garden

Grandpa Sam and Grandma Sara go into the gate to their garden.

Their big dog Lassie likes to dig in the garden. She makes a big mess!

Lassy finds eggs in a nest behind the plants. She sniffs them and licks her lips...

Grandpa and Grandma yell, "NO, Lassie! No eggs!"

They take the nest of eggs to a safe spot in the pine. Lassie can't get them.

Grandma and Grandpa ate grapes on the grass. Lassie ate grapes also. She likes grapes...and she likes eggs!

Lesson 23a: g

Game: Happy Families (Go Fish)

Preparation: Cut out and glue the cards onto heavy paper, lamination optional.

To play: Shuffle the cards. Deal each player four cards and put the remaining pile of cards face down in the middle. Players try to assemble families of four cards by asking the other player(s) for the card they want by name (example: "Do you have "sadly" from the "-ly" family?") If the player gets what s/he requested, she gets another turn. If not, the other player says, "No, Go Fish" and the first player draws a card from the pile. Lay down each family of four cards as it is assembled; the learner should read the 4 words and state their meanings. Play until all the cards are laid out in families. The player with the most families wins. (Try to let the learner outsmart you.) *YOU CAN ADD IN THE "HAPPY FAMILIES" CARDS FROM LESSON 7 TO MAKE A BIGGER DECK, but then the game will take longer.
