

Sharon and Shifra the Sheep

Sharon is cooking radishes and fresh fish.
It smells good.

The doorbell rings.
At the door stands a sheep.

Sharon shakes the sheep's hoof and thinks,
"This is a funny-looking sheep!
Her wool looks foolish."

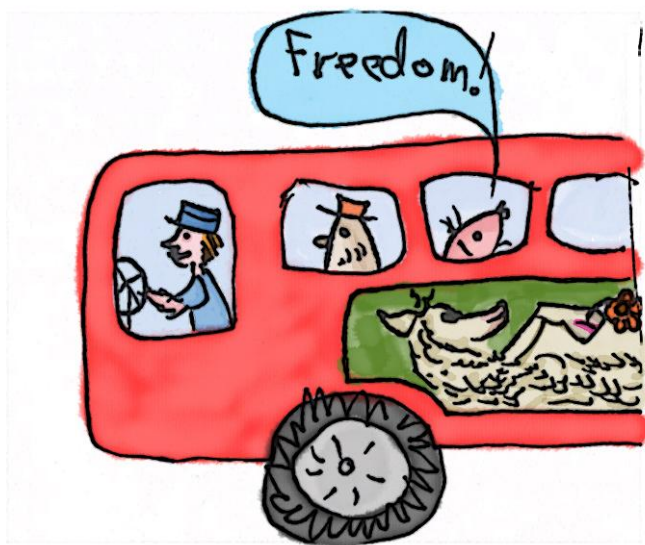

"I am Shifra the sheep.
I came from England on a ship.
Do I smell a radish and fish dish?"

Sharon says, "Shifra, you need a wash and a shave!" Shifra blushes.

Sharon washes Shifra, brushes and shaves her wool, and puts on some pink polish.

Shifra looks so sharp, that she becomes the first sheep model.

Sharon and Shifra publish a book: "The Secrets of Sheep Grooming."
