

## Kahoot: Counting Syllables game

by: Dana Nimer, Samia Khatib, Nour Nabulsi

### **Instructions:**

You can count the number of syllables in each word with the help of these methods:

#### **The "Listen Method" with hand under chin**

**Put your hand under your chin.**

Say the word.

How many times does your chin drop?

How many times do you hear a vowel sound?

This is the number of syllables.

#### **The "Clap Method**

Clapping may help you find syllables.

Say the word.

Clap each time you hear A, E, I, O, or U as a separate sound.

The number of claps is the number of syllables.

Now, let's do something fun. Close your eyes and listen for the number of syllables in the following words. You can use the chin method, the clap method or just listen carefully:
