

The Zebras in Zimbabwe

In Zimbabwe there
are many zebras;
most of these
zebras have
black stripes.

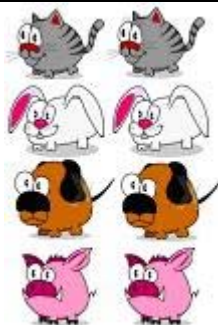

These zebras love swimming and
singing. Most of all they love their
fizzy pink drinks.

There was one very zany zebra with
pink stripes named Zack. Zack was
very lazy and did not swim or sing.

Zack had a secret. He made fizzy
pink drinks. The pink came
from his stripes. The fizz
came from soda.

All the animals love him. All the cats,
the rabbits, the dogs, and the pigs
came to drink the fizzy drinks.

To thank him, they gave him a pink
prize.
For the most lazy, zany fizzy-
drink-making zebra in Zimbabwe.
